

The Christalis 5k Superhero Run/Walk is a fundraising event that will directly benefit poor and orphaned children in Uganda. Christalis is a 501c3 non-profit that serves these vulnerable children through providing a home for the orphaned and abandoned as well as providing tuition and medical care for children in the community.

We are expecting 150-200 runners at our third annual Superhero 5K. Each runner will receive a free t-shirt, bib, goody bag, and pre & post run snacks. While runners are finishing their race superhero volunteers will be cheering the runners on. After the race we will have an awards ceremony. The top three winners of each category will receive medals and prizes.

Why consider Sponsorship?

- Aligning with the Christalis Superhero Run offers your company a marketing opportunity in the community.
- Being a Superhero Run Sponsor will help reinforce your organization as an international corporate citizen and help boost your company morale.

What are the benefits of being a Sponsor?

- Marketing visibility for your company
- Promotions on our website and social network sites
